Parents,

**Schedule This Weekend:**

We will be having evaluations this weekend for our K-2 and 3-4 Grade Basketball Programs to ensure that we set up the program in the best way possible for the kids. Based on the number of registrations we are going to conduct evaluations at the following times on Saturday, November 19<sup>th</sup> at HJMS:

K-2 Boys: 8:30 - 10:00 AM

K-2 Girls: 10:30 - 12:00

3/4 Boys AND Girls - 12:30 - 2:30 PM

We realize that not everyone will be able to attend evaluations but please do your best to attend so we can get the best representation of how to organize the program/make any necessary changes.

**VOLUNTEER COACHES:**

We are still in need of volunteer coaches, especially for the 3/4 grade program. If you are interested in helping coach a 3/4 grade team (parents will be head coaches this year, high school girls will be assistants). **Please reach out to Sam Zullo as soon as possible ([sam\\_zullo@hotmail.com](mailto:sam_zullo@hotmail.com))**. We really need some more parents of 3/4 graders to step up and help out. Anyone with limited coaching experience is still encouraged to step up if interested, Sam will help you with a template of what to do. Sam will reach out to all interested volunteers separately with what they need to know for this coming weekend and moving forward.
