_____ and _____,
(Zip) (Phone) (Current email address)

hereby lease lot number (s) _____ in the amount of \$ _____, from the Town of Simsbury for the purpose of growing a garden in accordance with the community gardens numbering system. **I agree that said lot(s) is (are) to be used for the growing of plants for non-commercial use; that I will abide by any and all rules established to regulate activity on the property;** that the garden shall be maintained in a condition which will not endanger abutting lots that access to this lot(s), that access to this lot(s) shall be only by areas designated as such; that the use of the parcel shall terminate not later than **OCTOBER 31, 2017**. **I will be responsible for removing all items from my garden plot by that date so they will not damage the tractor and the field can be plowed under for the winter without obstructions.**

I agree that **during a drought period**, if my garden is even-numbered I can water only on even-numbered days, and if my garden is odd-numbered, I can water only on odd-numbered days. Sprinklers may not be left on.

I agree that if I am planting in the **organic** areas of the Ethel Walker gardens, I will not use chemical pesticides or chemical fertilizers, and will use only organic or ecologically safe methods.

I understand that fine net fencing may not be used as it entraps birds and may kill them.

I understand that if I plant in the incorrect lot I run the risk of having my seeds and plants turned under by the correct renter.

I understand that failure to comply with the above may result in loss of use of the garden lot and forfeit of any payment.

I further agree to hold the Town of Simsbury harmless from any claim for damages or injuries arising from the use of the above property.
