We do offer discount cards which you can purchase in advance. The cards are \$60 for 11 resident visits (\$6 savings) or \$80 for 11 non-resident visits (\$8 savings). For example, if you had 11 guests for your party you could use one of the discount cards to pay their admission for them. Pick up your pass later at the lifeguard's window to use any remaining entries on the pass at a later date for future guests.
