Our "Clean Team" will be working around the clock to sanitize and clean all common touch points around the pool deck and throughout the facility. Our locker room attendant staff will be consistently cleaning bathrooms and the public indoor facility.

Simsbury Farms will have 8 public restrooms open that will be cleaned regularly. Our lobby and indoor facility will be open with traffic flowing in one direction. A limited supply of chairs will be available for public use and will be cleaned between uses by our "Clean Team". You are welcome and encouraged to bring your own chairs.
