

Court Reservations Policies and Instructions

Remember: The courts are free for the public to play on without a reservation, as long as there is not a Simsbury Recreation Department program or event on the courts and the court(s) are not reserved by other players. We recommend reservations to those who may have limited time to play and want to ensure availability of a court at a specific date and time.

Details:

It costs \$6 an hour to reserve one court. Court time is available from 8 AM to 9:30 PM. Court time can be reserved in 30 minutes blocks, with a minimum of a one hour reservation. The Tennis and Pickleball courts' lights are now on a timer that you can turn on for play after sunset up until 9:30 PM. Reservations can be made up to two weeks in advance. Your email confirmation will serve as your reservation permit. If there is another group on the court you have reserved at the start of your time, please use the email confirmation as proof of reservation. Be sure you have the correct email address in your account so you receive the reservation permit.
